Curriculum Vitae

Profile

Experience I gathered over the years while working on internet applications and games allowed me to develop crucial skills to work in Information Technology business. I am driven by the need to learn, create and improve. I am not afraid of challenge and have proven this by becoming full time developer at WhatClinic, in spite of my small experience at that time. Now I am confident that I acquired proper skills to create and maintain Internet Applications.

Work

2018-Present **WhatClinic**, *Junior ASP .NET Fullstack Developer.*
